

Add-To Stories Within 10

Kindergarten–Grade 1

How to work: Each story starts with some things, then **more** come. Draw or count to find how many there are **in all**. Write a number sentence like $3 + 2 = 5$, then write the total on the answer line.

1. There are **3** red counters on the ten-frame. Then **2** more counters are put on the frame.

•	•	•		

How many counters are on the frame **in all**?

Answer: _____

2. Maya has **4** stickers. Her teacher gives her **3** more stickers. How many stickers does Maya have **in all**?

Answer: _____

3. 4 birds are sitting on a branch. Then **5** more birds land on the same branch.

Finish the number sentence, then write how many birds are on the branch in all.

$$4 + 5 = \underline{\hspace{2cm}}$$

Answer:

4. A ten-frame has **6** counters on it. Then **2** more counters are put on the frame.
