

Decimal Multiplication & Division Workshop

Powers of ten, multiplying decimals, and dividing decimals

Directions:

- Use place-value reasoning: think about *tenths* and *hundredths*, not just digits.
- Show your work in the space under each problem, and write units where the problem asks for them.

1. Multiply: 3.6×100

Answer: _____

2. Divide: $45.2 \div 10$

Answer: _____

3. Multiply: 0.4×0.6 (Hint: tenths times tenths make *hundredths*.)

Answer: _____
